🔒 **Notice of Access Restriction**

In order to comply with U.S. trade controls, we are required to restrict access to secure knowledge and downloads in the Thales Support Portal for embargoed countries. According to our system, your organization is located in one of these countries. At this time, access can only be provided to publicly available content and to case management functions for your products. If you wish to inquire as to the status of your account, please click the 'Create Case' link to open a case with Thales Customer Support. On the Case form, select 'Support Portal Issue' and then select the Issue Type of 'Trade Compliance Restriction'.
